Letter of recommendation for Hadi Lalani

I am writing as a recommendation for Hadi Lalani. Hadi worked as a consultant for The PGA of America for almost two years and reported to me in my position as Director of Treasury.

As a consultant, Hadi oversaw our Payroll Department, from processing payroll to leading the implementation of a new payroll system and ultimately training the new team.

I've always put a premium on communication and accountability among my team members and Hadi has been exemplary on both.

Hadi is always a pleasure to work with and I would not hesitate to bring him back on to our team again.

Should you have any further questions about Hadi's work with The PGA of America, please feel free to contact me directly.

Kristi
